*"We nurture, grow and then fly..."*

Dear Parent / Carer,

The After School Club staff and children have had a meeting regarding behaviour. As a group we have decided to bring in new rules and a logical consequence system which runs in a similar way to the school rules system. We have also decided that we want to have a Home/ After School Agreement which you the Parent/ Carer will sign along with the child.

You will find attached to this letter a copy of the Logical Consequences, Rules and a Home /After School Agreement. Please can you and your child sign the agreement and send it back to Mrs Baxter (A.S.C Supervisor) as soon as possible. If you have any questions regarding the new A.S.C. behaviour system, please feel free to contact us and we will be only too happy to talk to you about it.

With Regards

Mrs Baxter & Mrs Craven  
(After School Club Team)
